Northvale Learn

Free beta · Ages 13 and up

The calm, bilingual money app for young people whose lives cross the border.

Find your open water.

- **Four-minute lessons**
  63 short lessons in 18 units: budgeting, your first paycheck, credit, scams, taxes and investing basics.
- **Both sides of the border**
  Dollars and pesos, FDIC and IPAB, 401(k) and AFORE, in English or Spanish.
- **Pretend money only**
  Practice with a pretend portfolio. No real money moves and no bank connections.
- **Plain-words help**
  Ask the AI tutor to explain a term or a headline. It never tells you what to buy.

No ads. We never sell your data. Nobody pays us to recommend anything.

Teachers and clubs: classroom mode is a small test with invited teachers. Scan, then choose "Join as a teacher."

Built by a student, for students.

Educational only. Not financial advice. No real money moves in the app.
